**We are only accepting books for credit right now. The amount depends on the condition of the book and whether we already have a copy. We typically grant \$2.00 credit for paperbacks and \$4.00 for hardbacks.** We want books that are clean and in very good condition, without writing or marks except for owner name. Hardcover books generally need dust jackets.

We stock most kinds of books for all ages, especially for children and young adults. We carry nonfiction, fiction, sci-fi, mysteries, history, science, and numerous other categories (see below).

**You may bring books to the store daily between 2:00pm and 6:00pm, 2 medium boxes or bags at one time (no large plastic tubs or bins).** We will ask you to fill out our intake form authorizing us to try to sell any of your books that we accept. We ask that you return within one week and take back any books that we decline, or you can indicate that you would like them donated to the Gordon Avenue library sale (if in good condition) or to Goodwill or the McIntire recycling center (if in poor condition). If you have a particularly large collection or library you would like to **donate**, please contact us to arrange a house call to review the books (if nearby).
